

## The international gathering!

Every other years, **Lorraine Mondial Air Ballons®** is [THE international gathering not to be missed!](#) The aerostatic planet meets on Chambley Planet'Air airfield (Lorraine / France) to celebrate the passion of the hot air balloon. Pilâtre de Rozier Organization team looks forward to welcoming the thousands of pilots and crews from around the world. From July 24th to August 2nd, 2015, the 19 magical aerostatic ballets will take place **"Nowhere else"** than Lorraine.

The most international event in the world of ballooning, LMAB® invites over sixty nationalities to discover the biggest balloons gathering in the world. [Nearly a thousand pilots!](#) The first registration last June, has been addressed by... a Belgian woman! And for the 14th edition, LMAB® 2015 will have the pleasure of welcoming for the second time a Thai crew. Welcome to them!

But why are pilots from around the world coming to LMAB®? Anyone will tell you that it is a delight [to fly in Lorraine](#), a moment of pure joy thanks to the wonderful landscapes of our beautiful region. Not to mention the enjoyment of meeting friends, families, even many of Lorraine people gladly hosting pilots at their homes. For over 25 years, the family of "Fraternité 89" has continued to widen...

NB: You are a journalist, photographer, videographer, blogger... Do not hesitate one second, you can already send us the request of [the accreditation](#) to cover the biggest aerostatic event in the world, LMAB® 2015!
