

## LMAB® 2015 will be "Nowhere else"

[Lorraine Mondial Air Ballons® 2015](#) will take place from July 24th to August 2nd, 2015 at the Chambley Planet'Air airfield, in the heart of the Regional Park of Lorraine (Meurthe-et-Moselle / France). For ten days, the biggest balloons gathering in the world will spread its wings by illuminating the sky (on morning and on evening) with hundreds of colorful balloons.

For the 14th edition, LMAB® (created in 1989) chose the slogan "Nowhere else". More than a promise, it is a reality! For many years, LMAB® organizes mass ascents of hundreds of balloons (357 in 2011). Already a world "première"! The year 2014 has definitely set the event as [the number 1 gathering in the world](#), with the approval in the Guinness World Records of the world record for the mass flight world with 408 balloons taking off in an hour, on 31th July (2013). A great reward for the team Pilâtre de Rozier Organisation which has been at work for 25 years!

It's also an anniversary year, since the famous "Lorrain", [Jean-François Pilâtre de Rozier](#) (1754-1785) disappeared 230 years ago. He was the first man to conquer the air on November 21th, 1783. An extraordinary feat which the organizers want to pay tribute to, through two daily aerial ballets!

*The random draw on Facebook to win a balloon flight during LMAB® 2015 was launched today. Try your luck!*
